MA 009	1.1m (43")	2.2m (87")

The free-standing Oceansouth boat arch is an excellent addition to your boat. It is easily assembled and features unique universal mounts. The universal base mount has a beveled base, enabling a variety of possible mounting positions.

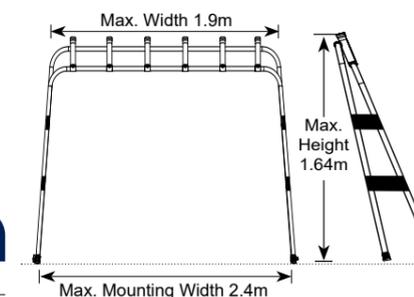

- 32mm (1 1/4") tube & AISI 316 stainless steel.
- Designed to fit any boat.
- Foldable for storage & trailering.
- Supplied support plates allow for the installation of lights and navigation Instruments.
- Adjustable width and height.

## FREE STANDING ROCKET LAUNCHER

The Oceansouth free-standing rocket launcher is a fantastic upgrade for your boat, allowing rods to be safely stowed above deck space. It is easily assembled and features unique universal mounts. The universal base mount has a beveled base, enabling a variety of possible mounting positions.

- 6 Hi-Impact non-corrosive polymer rod holder - metallic finish.
- All connectors and mounts made from marine grade nylon.
- Crossbars can be used to mount equipment.

SKU	MAX. WIDTH	MAX. HEIGHT	MAX. MOUNTING WIDTH
MA 100	1.9m	1.64m	2.4m

## 'CLAMP ON' ROCKET LAUNCHER

The 'clamp-on' rocket launcher has been designed to team with just about any bimini or canopy with 25mm framework. The sleek and robust design will compliment any boat top.

- Attaches to bimini constructed with 25mm tube.
- Fits biminis or canopies up to 1.9m canopy width.
- Alloy double knuckle clamp attaches rocket launcher firmly to bimini frame.
- All fasteners made from 316 grade stainless steel.
- Can be trimmed to suit your bimini width.

Oceansouth's new rocket launcher bimini top extender was designed for effortless installation. It provides reliable sun protection and is easy to uninstall and store when not in use.

- Secures tightly to the boat's existing rod rack with rail mounts, thumb screws, web strapping and buckles for a firm hold.
- Made with lightweight yet strong 25mm anodised aluminium poles for durability and adjustability.
- Compatible with oceansouth clamp-on rod racks and most 25mm stainless steel or aluminium frames.
- Provides reliable sun protection and is easy to remove and store when unused.
- Marine-Grade durability: UV-treated AIRFLOW fabric withstands harsh conditions and handles speeds up to 30 knots.

**FISHERMAN TOP**

Ø32mm ALUMINIUM TUBE  
1.6mm WALL THICKNESS

ATLAS GOLDEN RANGE  
DOPE DYED POLYESTER CANVAS  
400 g/m<sup>2</sup> - 11.8 oz/yd<sup>2</sup>

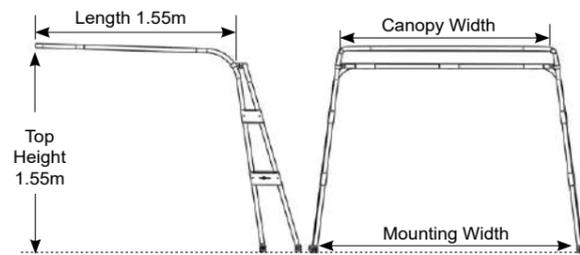

The fisherman top is designed for small to medium "open style" boats. The top offers excellent shelter from the sun and rain as well as safe mounting for equipment on board: navigation lights, antennas, deck lights, rod holders, etc.

- All connectors and mounts are made from marine-grade polymer.
- UV resistant nylon components.
- 316 grade stainless steel fasteners.
- Extremely durable and performs efficiently at speeds of up to 50 knots.
- Suitable for road trailering at moderate speeds.

Ø44mm ALUMINIUM TUBE  
2mm WALL THICKNESS

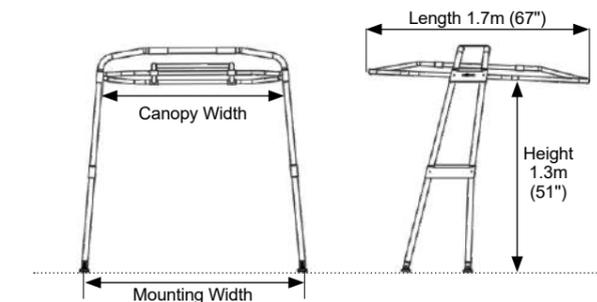

ATLAS GOLDEN RANGE  
DOPE DYED POLYESTER CANVAS  
400 g/m<sup>2</sup> - 11.8 oz/yd<sup>2</sup>

- Stylish black powder coated aluminium upright Ø44mm frame and Ø32mm canopy frame.
- 316-Marine grade stainless steel fasteners, all connectors and mounts made from marine grade nylon.
- Aerodynamic sleek design. Easy to remove & clean canopy fabric.
- Travels comfortably on the water at 35-40 knots.
- Optional rod holders & accessory mounts are available.
- The Ø44mm crossbars can also be used to mount other equipment such as GPS, VHF, or navigation lights.

# BOAT COVERS

# BOAT COVER MEASURING INSTRUCTIONS

## OVERALL FABRIC MEASUREMENTS

### OVERALL COVER DIMENSIONS

- W** Overall fabric width
- L** Overall fabric length

### 1. MEASURE THE OVERALL FABRIC LENGTH

Using a tape measure, take the following measurements on your boat making sure you measure from 20-30cm below the point of the bow of the boat (assume this is where the hem of the cover will be) all the way back to 20-30cm below the stern, ensuring the tape measure goes over the highest parts of the boat, ie, windscreen, bimini, roof, rocket launchers, stern bait board (whichever of these is applicable).

### 2. MEASURE THE OVERALL FABRIC WIDTH

Using a tape measure, take a measurement 20-30cm below the widest part of your boat on the port side gunnel and across to 20-30cm below the opposite starboard gunnel ensuring that the measurement goes over the highest part of the boat, windscreen, bimini, rocket launcher (whichever of these is applicable).

## JUMBO BOAT COVER

- Specifically designed to fit centre cabin style (with bimini) boats.
- High cut pattern will comfortably fit over high rails and rocket launchers.
- Adjustable bow opening to accommodate bow sprit and anchor.
- Heavy duty cover, ideal for short or long term storage.
- Available in black and grey.
- Recommended for light trailering use, 60km/h maximum.

## SUPPORT POLE KIT

The Oceansouth cover support system extends the life of your cover by eliminating water pooling and debris collecting on the cover. It features the top and base solid wheel design which reduces skidding or movement of pole.

- Suits boats up to 24ft - 7.1m.
- Marine grade polymers components.
- Ø25mm - Ø22mm hard anodised aluminium pole.
- 25mm webbing straps attach to top wheel extend across front and to the rear of boat.

### COMPLETE KIT INCLUDES:

- Telescopic pole : 710mm - 1220mm with thumb screw adjuster.
- 2 wheels base and top.
- 20m adjustable webbing, quick release buckles.

SKU	DESCRIPTION
21062	Telescopic boat cover support pole with adjustable webbing straps

## BOAT COVER VENT

- Easily installed on cover.
- Under plate locks into top dome, fastened with 4 screws (supplied).
- Provides excellent ventilation around boat, preventing moisture build up, mould or mildew damage.
- Essential for long term storage.

SKU	SIZE
21065	L: 107mm   W: 112mm   D: 35mm

# BOAT COVER COMPONENTS

## TWIN ROPE CLEAT (Ratchet)

- Suits 8mm rope.
- Roller guides & twin cleats allow for easy tightening of boat cover rope.

## TIE DOWN STRAP SET WITH BUCKLES

- Set of 4 adjustable tie downs.
- Polyester woven webbing 25mm x 2.3 m.
- UV nylon quick release buckles.

## SNAP & SECURE ROPE HOOK TENSIONER

- Marine-grade nylon hook with stainless steel spring lock.
- Overall dimensions 75mm x 30mm.
- Ingenious design allows the rope to be pulled through the hook and lock into place.
- Suits rope and cord diameters 4mm-6mm.
- Perfect for boating, caravanning, camping, household use.
- Supplied as a pack of 4 hooks

\*Rope not included  
\*Not intended to be used as a hoist or pulley

# PROPELLER COVERS

## PROPELLER COVERS

SKU	PROPELLER DIAMETER
MA 048-5	200mm (7.8")
MA 048-4	260mm (10")
MA 048-3	320mm (12.5")
MA 048-2	360mm (14.3")
MA 048-1	410mm (16")
MA 048-0	435mm (17") Dual/Twin Propeller

(Line A-B x 2 = Propeller Diameter)  
Take this straight line measurement and then double it to arrive at the Propeller diameter

- Heavy duty UV polyester materials.
- Padded lining fabric with 1/4" closed cell foam.
- Shaped closure with press studs (no drawstring).
- Heavy stitching and excellent workmanship.
- Durable polyester webbing handle (for easy transport and storage when removed from the motor).
- Non-skid interior design to prevent slippage or twisting while in transit.
- High visible red safety colour for trailering.

# OUTBOARD MOTOR CARRY BAG

Fits most portable outboard engines up to 30kg

**SILVER SOFT RANGE**  
DOPE DYED POLYESTER CANVAS  
340 g/m<sup>2</sup> - 10.3oz/lyd<sup>2</sup>

- Constructed from a premium woven dope dyed polyester fabric with protective soft felt inner lining.
- Breathable & water resistant fabric.
- Adjustable heavy duty carry straps are designed to wrap around motor shaft and cowling for maximum security when carrying.
- Dual size 10# zippers - allow easy access to motor carry handle.

SKU	DESCRIPTION
MA 088	Outboard motor carry bag

# PEDESTALS & SWIVELS

COMING MID 2025

NEW

## PEDESTAL SLIDER WITH 8 POSITIONS LOCK SWIVEL

- The boat seat Pedestal Slider with Swivel allows for smooth forward and backward seat adjustment and enables full 360-degree rotation.
- Featuring an 8-position locking system, it ensures secure and stable seating.
- Constructed from high-quality marine-grade aluminum, this slider is built for durability and resistance to harsh marine conditions.
- Compatible with most heavy-duty boat seat pedestals, its an ideal upgrade for enhanced functionality and long-lasting performance.

SKU	DESCRIPTION
MA 763	Pedestal Slider - 8 positions lock swivel

- Top & Base.
- 4 x rubber anchors.
- Ø12 drill bit.
- Installation instructions.

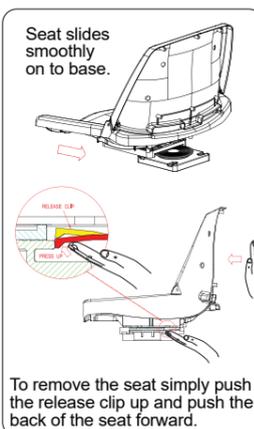

QUICK CONNECT 360° TITAN SWIVEL IS UNOBTUSIVE AND OFFERS A TRUE REMOVABLE SEAT OPTION

## TITAN SWIVELS

A new alternative to 'metal seat clamps'. The titan swivel comprises of two parts: the base which locks onto the bench using rubber anchors and the top which attaches to the seat.

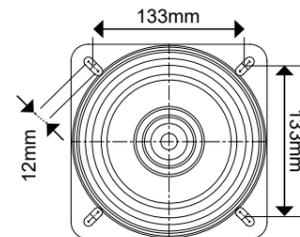

- Swivel and base diagonal measurement 7" (177mm).
- Moulded with tough self-lubricating polymers.

SKU	DESCRIPTION
MA 765 - 1	Titan Swivel (complete kit)
MA 765 - 2	Titan Swivel top & base only
MA 765 - 3	Titan Swivel base only
MA 765 - 4	Titan anchors (set of 4)

## METAL SWIVELS

- 7" (177mm) diagonal.
- Suits most standard seats and pedestals.
- Black EDC coated steel protects against corrosion.

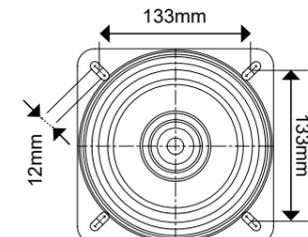

SKU	DESCRIPTION

The top-of-the-range Oceansouth Skipper Deluxe High Back Folding Boat Seat offers the perfect blend of durability, comfort and style for your boating and fishing adventures.

Built with a strong, marine-grade nylon frame, this seat is designed to endure harsh marine conditions while providing lasting support. The high backrest offers excellent lumbar support, while the thick moulded foam padding on both the seat and backrest ensures superior cushioning, making long hours on the water more comfortable.

Upholstered in premium NAUTI-LUX by Atlas UV-resistant marine-grade fabric, the seat is designed to withstand sun exposure, saltwater and wear, maintaining its appearance and functionality over time. The practical fold-down design allows for easy storage, while the UV-treated polymer shell enhances longevity.

Compatible with all Oceansouth pedestals, most other brand pedestals and standard 7" swivels, this seat is a versatile choice for a wide range of boat setups. Available in a variety of colour combinations, it allows you to personalise your boat's interior while enjoying exceptional comfort and support.

With its premium materials, supportive design and functional versatility, the Oceansouth Skipper Deluxe High Back Folding Boat Seat is a stylish and practical upgrade, ensuring maximum durability and relaxation for your time on the water.

- **High Back Design:** Offers excellent support and comfort, ideal for extended use on the water.
- **Premium Marine-Grade NAUTI-LUX Fabric by Atlas:** Upholstered in tough, UV-resistant polyester weave to withstand harsh conditions while maintaining its appearance.
- **Generous Moulded Foam Padding:** Thick cushioning on both the seat and backrest ensures superior comfort and support.
- **Heavy-Duty Marine-Grade Nylon Frame:** Built from strong, impact-resistant moulded nylon for durability and long-lasting performance in marine environments.
- **Folding Capability:** Easily folds down for compact storage, maximising space on your boat when not in use.
- **Versatile Mounting:** Compatible with all standard 7" swivels, Oceansouth Pedestals and Oceansouth Titan Removable Swivels for effortless installation on various boat setups.
- **Available in a Wide Range of Colour Combinations:** Choose from multiple stylish colour options to complement your boat's interior.

## FOLDING DECK TABLES

The Oceansouth Deck Table Range is designed for boating and outdoor enthusiasts who value durability, functionality and style.

With a lightweight and compact design, these tables provide a stable and practical surface for meals, drinks, or gear whether you're on a boat, yacht, by the pool, on the balcony, caravanning or exploring the outdoors.

The tabletop is constructed from marine ply with a melamine finish, offering a durable, weather-resistant, and easy-to-clean surface that withstands the demands of the marine environment.

The strong yet lightweight marine-grade aluminium frame ensures exceptional strength and longevity, making it a reliable choice for any setting.

For added stability and deck protection, the tables are fitted with moulded rubber feet, preventing movement and ensuring surfaces remain free from scratches or marks.

The fully foldable design allows for easy storage and transport, making it an ideal addition to boats, caravans and outdoor spaces where space is at a premium.

# TRAILER GUIDE POLES & STONE GUARDS

**GUIDE POLES FOR RECTANGULAR BEAM TRAILER**  
 Can fit beams up to:  
**WIDTH: 40mm - 60mm**  
**HEIGHT: 80mm - 110mm**

**GUIDE POLES FOR I BEAM TRAILER**  
 Can fit any I beam

- 40mm x 40mm fully galvanized square tube
- Ø63mm PVC white protective tube with a Ø3.9mm wall thickness
- Galvanised parts & components
- Can be easily assembled
- No drilling required for assembly
- Available for both rectangular and I-beam trailer frames and a selection of pole heights to choose from
- Included in the kit are the white PVC guide poles for both left and right sides, as well as the full frames, mounting brackets and fasteners

**Versatile Sizing:**  
 What sets our trailer guide poles apart is their versatility – available in multiple sizes to accommodate a range of boat dimensions and trailer configurations.

This adaptability ensures a customized solution for various vessels, making them an ideal choice for boaters of all experience levels.

**Adaptable to Trailer Styles:**  
 Our trailer guide poles offer you the choice of two types of mounting kits, suitable for either rectangular tube trailer frames or I-beam style trailer frames.

**Easy Installation:**  
 Installation is a breeze with our straightforward installation guide, allowing you to spend less time setting up and more time enjoying your boating adventures.

**Please note:** when trailering your boat on public roads, please ensure the Trailer Guide Poles are not extended out past the width of the trailer's wheel arch and/or the width of the boat (whichever is widest) and ensure the PVC tubes are removed from the mounting frame.

The trailer guide pole kit includes both left and right-hand side trailer guide poles and mounting assembly.

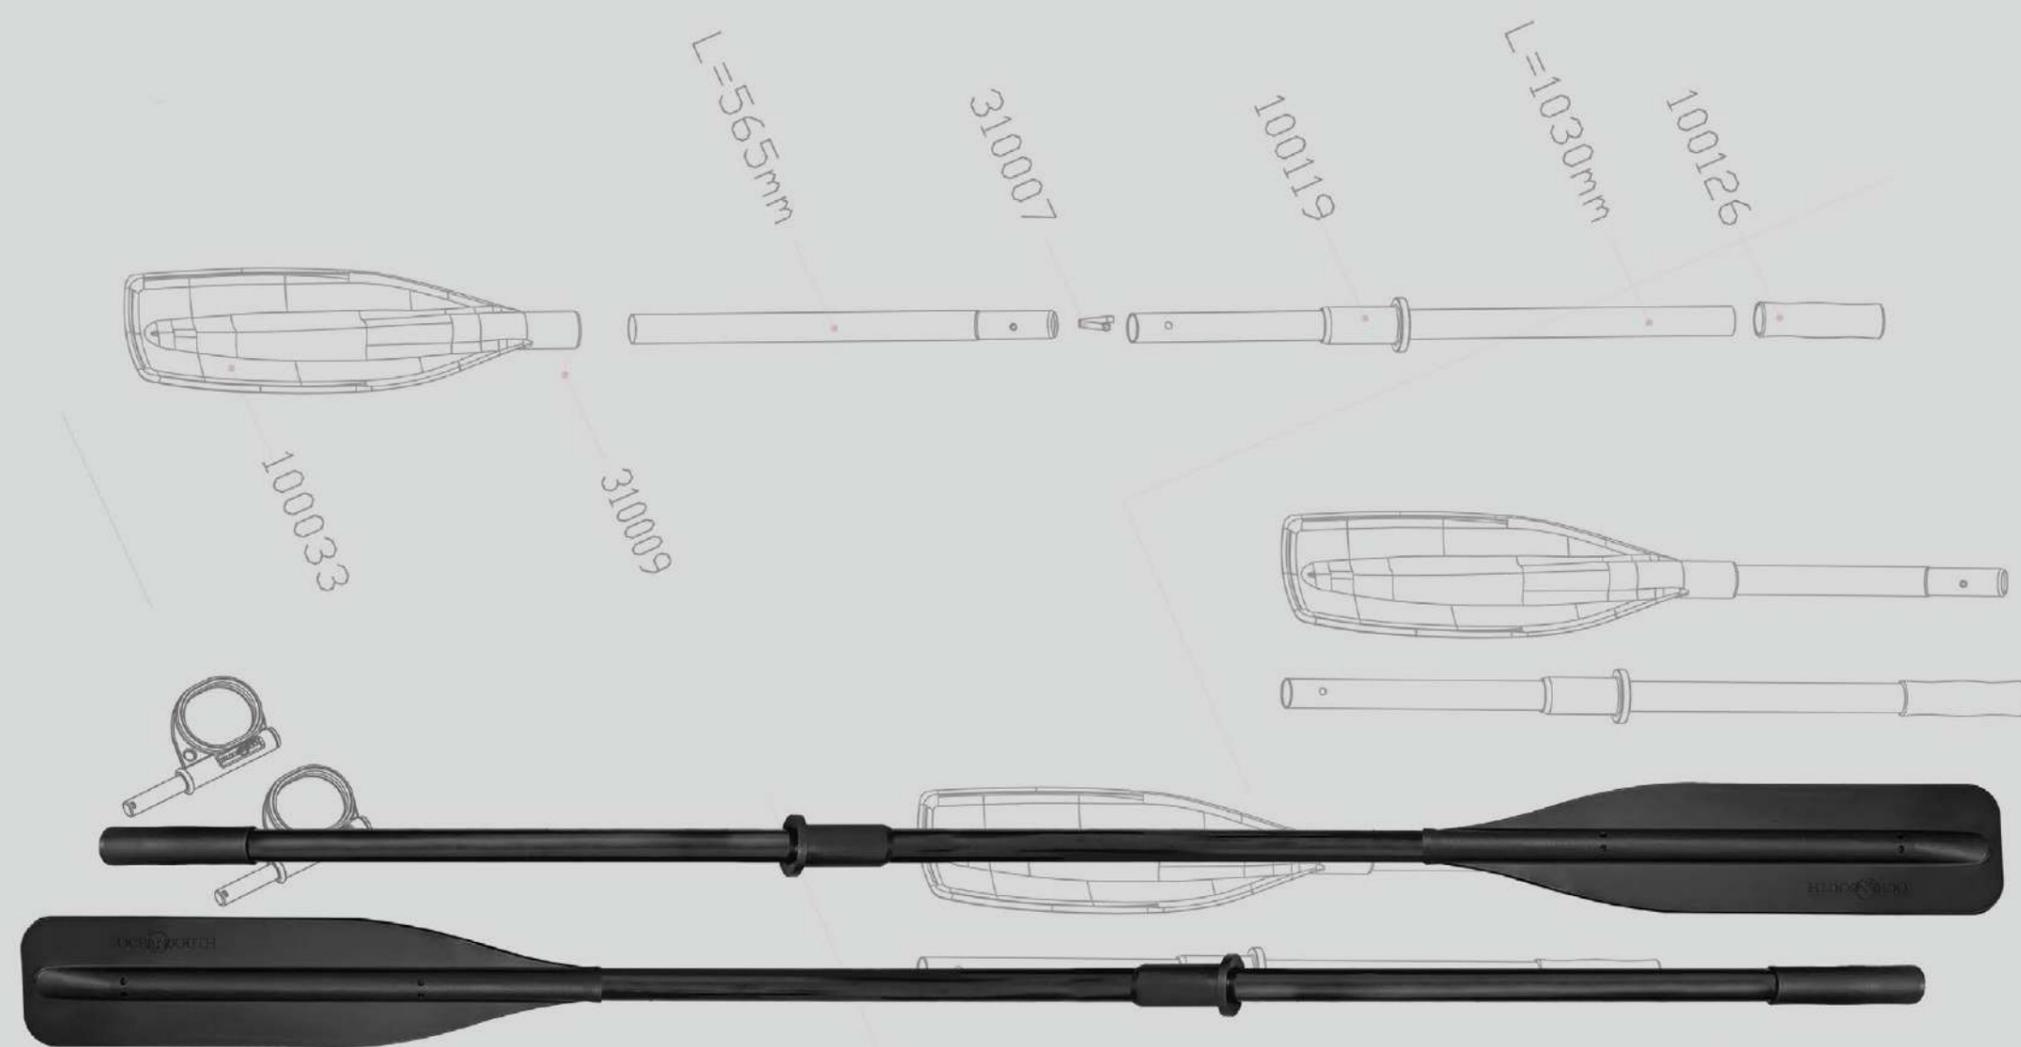

**Enhanced Visibility:**  
 Designed to simplify the maneuvering of your boat onto the trailer, feature highly visible white PVC upright tubes. These tubes act as a visual aid, facilitating the alignment and centering of your vessel during retrieval, ensuring a smooth and efficient process.

SKU	WIDTH
MA 310-1A	I Beams Trailer Guide Poles 560mm (22")
MA 310-2A	I-Beams Trailer Guide Poles 1000mm (40")

COMING MID 2025

- Effectively keeps mosquitoes, insects and other pests out while allowing fresh air to circulate through your yacht hatch.
- Made from high-quality, lightweight mesh that is resistant to tearing and ensures long-lasting performance.
- Features a lead-lined hem for a secure fit around the hatch cover, ensuring hassle-free setup and removal.
- Easily folds into the included storage bag for convenient onboard use.

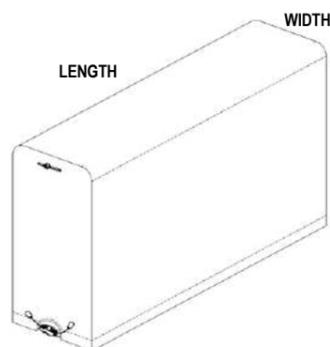

# COCKPIT TABLE COVERS

- The inclusion of a shock cord in the hem guarantees a secure and snug fit, preventing the cover from slipping or shifting during adverse weather conditions.

- The breathable marine canvas used in these covers not only defends against UV exposure but also minimizes condensation buildup, maintaining a dry and comfortable environment in your boat's cockpit.

- Designed to uphold the integrity and aesthetics of your cockpit table, these covers are a reliable solution for ensuring a pristine and well-protected boat interior.

# WHEEL COVERS

- The Oceansouth yacht steering wheel covers are the ultimate protection for your boat's steering wheel.

- Provide excellent protection against the elements, keeping your steering wheel safe from UV damage and environmental wear and tear.

- The combination of velcro and zipper fastening ensures a snug and secure fit, preventing the cover from slipping or coming loose during harsh weather conditions.

- The breathable marine canvas used in these covers not only safeguards against UV rays but also reduces condensation build-up, maintaining a dry and comfortable environment in your boat's cockpit.

- These covers are designed to keep your steering wheel looking and performing like new, ensuring that you can navigate your yacht with ease and confidence on every voyage.
